The wine is all about fruitiness, ripe tannins and a rich structure. The blackberry flavors and the solid structure of the wine is developing well, promising fine tannins and great power. Drink from 2021.

Quinta do Paral 2017 Vinhas Velhas Red (Alentejano)

A dense, powerful wine that exudes weight and concentration. There is nothing shy about this wine. Its tannins and dark fruits are blockbusters—juicy, full bodied and ready to pair with the strongest meat dishes. Drink this massive wine from 2022.
